Subject: WOW: Letters to Kings!

Greetings!

I do not think most of you know each other...but you do know God for real.

There are actually 13 I am to include in this new focus of intercession, a baker's dozen!

There are many with this calling to be a king, but not all are walking with Him or others rightly in this season of their lives. I pray for you who I know and love, and I am asking that you pray for the others in the spirit who are called like you, so none will be lost.

I serve some I do not communicate with as freely or frequently as I do you, as well as kings I talk to often who have no idea who they are or the impact their lives have, yet!

It is my joy to serve you.

You whom Papa has highlighted and granted me His heart for are my primary focus in this season like never before.

I am so glad I got to speak in person to the one most recently added to this list right after my first note this morning was sent out.

You are the youngest and newest one Papa placed in my heart to encourage as a king in this age, and one day you will have to meet my friend who is of royal blood lines from China and just like you serving the poor in the Philippines!

I have not yet had a chance to contact any of you personally, but I want to share an insight one of you called to share with me right after I sent that note out.

Thank you for teaching me so much!

This morning's WOW note held me in deep intercession all day.

I have been praying in the spirit over you almost nonstop, somewhat overwhelmed at the honor of serving each of you personally.

I will attempt to get your individual prayer notes out, but there are some at the end of this note you can pull for yourself today.

I have been asking for insight as to how to carry you in the great and terrible season ahead.

I sent out that teaching on the Shield of Honor last month, and for a few weeks I have been asking specifically how to shine that shield of honor I pray around you each day.

Holy Spirit showed me this clarity of insight during that phone conversation I know will impact your heart as it has mine.

First I want to share the verse I was given, and then some of that teaching.

After I sent the note I found myself in Judges 21:25...the last verse in that book, right before that beautiful story of Redeeming Love about Boaz and Ruth, which is my favorite view of pure communion and the life that is available to us in this age...and also describes each of your lives.

Today this verse is a pivotal view and vantage point for all I serve, as well as me!

"In those days there was no king in Israel; everyone did what was right in his own sight."

This statement was preceded by "...and each of them went out from there to his inheritance..."

This moment...every moment...all of life is about inheritance stored up and provided for us.

Father has decreed more than has been told, and is waiting to be bestowed His blessing on those who will ask for it!

I am asking for ALL that is the good and perfect and acceptable will of God for you.

...AND HIS WILL IS A LEGAL DOCUMENT!

In various ways each of you have counseled me, covered me in prayer, been available even in the middle of the night, blessed and encouraged me in times of weakness and vulnerability, cared for so many practical needs and concerns that arise and overwhelmed me with free access into your busy lives.

I am most blessed however by serving you like this in prayer.

My little offerings matter too.

Serving you has taught me how to pray.

I am learning how to search for and hear and heed the Voice of Love.

He is teaching me know when and how to share what He speaks to me concerning you, because you can speak to so many others.

You are in the season of this journey with free legal access in the Presence of Father who with great delight wants to bless you with the more, even though He has already blessed you with much.

The story of Caleb desiring to give to his daughter whom he cherished is one I have shared with a few of you recently. (Joshua 15:16-20 and Judges 1:12-15.)

IT IS TIME TO ASK!

It is time to ask for that for which has been kept and held, for you and the sake of others.

This season is about learning to embrace and enjoying your inheritance here and now...and multitudes will be blessed and cared for as you do.

In these days you are a king right where He has placed you. Some of you are being called to go out among the people like never before.

He will keep you alive in the secret place as you are put on display before the eyes of many who do not even know Him, yet...but they will.

Many will see and fear and put their trust in Him because you have.

You will not defend or prove or hide your relationship with Him, ever again.

There is something new and fresh even in connection to Israel, both the land and that precious people about to impact your heart.

You too are a type of Boaz and have been in training all your life to be a Redeemer in specific lives and arenas, just like the Son who is the Only Begotten One is for all.

Therefore, going forward, as I place that shield around you and all that is yours...even with the set boundary lines changing by His own hand...I will also be evoking The Shield of the God of Israel, from the clearer insight of His star shining over you like that one did to announce the birth of the King of kings!

When God is your SHIELD... you shine as bright as a star.

His star shining over you like that one did to announce the birth of the King of the Jews will be leading others to the Christ!

We call one star, the Star of David...but it is not!

My friend who called is learning all about his inheritance as a son of Israel, and he told me that according to the original text what we call the Star of David is really the Magen of David.

Magen means shield, not star.

Magen is the name of God that offers covering and protection, for He is our Shield!

Magen David. Shield of David. You are His Beloved, and He is your Shield.

True sons of Israel and those who are born-again children of the King of Israel have been left out in the elements, uncovered for too long!

The Star of David, that Seal of Solomon has been more used by those in the occult than those to whom it was given!

God wants you to possess your possessions as Obadiah describes...

Your place and position as a son of God is what has guaranteed and secured you as a king of the earth in this age...not what you have done or who you know this side of eternity.

I am standing in the Gap to call into forth all that is yours and still waiting for you!

There are 6 points on what we casually have termed that Jewish star...but because your term as king has already begun, you will see His Shield about you as the gift greater than any other you have.

My friend said the shield is also like a flag or banner...still with six points to wrap you in!

The reality and power of those points on the shield is declaring nothing can harm you.

I know each of you have battle wounds and had great personal losses and attacks endured by those you love that will continue to impact you the rest of this age. Somehow today they are appearing as metals and badges of honor from heaven's view because of how you continue to carry your heart in ways that no eye on earth has caught a full glimpse of.

His personal protection and rampart and guardianship will come from these six directions...taking care of it all.

Protection and Honor from the North, the South, the East, the West as well as above and even below because of this shield put in place!

Christ holds the keys of death hell and the grave, and from now on, because you will continue to keep your gaze set on Him...keeping Him as the promise set and secured in your own eyes, so will you!

Here are few more prayer note gathered today for you from Psalm 18.

There are 50 verses and you are about to enter your season of Jubilee that will indeed cause your heart to declare,

"It has been worth it all!"

I will be praying this Psalm over you for the next 10 days, and write as I am able.

PSALM 18 ALL

I love you, Lord; you are my strength. The Lord is my rock, my fortress, and my savior; my God is my rock, in whom I find protection. He is my shield, the power that saves and my place of safety. I called on the Lord, who is worthy of praise, and he saved me from my enemies. The ropes of death entangled me; floods of destruction swept over me. The grave wrapped its ropes around me; death laid a trap in my path. But in my distress I cried out to the Lord; yes, I prayed to my God for help. He heard me from his sanctuary; my cry to him reached his ears. Then the earth quaked and trembled. The foundations of the mountains shook; they quaked because of his anger. Smoke poured from his nostrils; fierce flames leaped from his mouth. Glowing coals blazed forth from him. He opened the heavens and came down; dark storm clouds were beneath his feet. Mounted on a mighty angelic being He flew, soaring on the wings of the wind. He shrouded himself in darkness, veiling his approach with dark rain clouds. Thick clouds shielded the brightness around him and rained down hail and burning coals. The Lord thundered from heaven; the voice of the Most High resounded amid the hail and burning coals. He shot his arrows and scattered his enemies; his lightning flashed, and they were greatly confused. Then at your command, O Lord, at the blast of your breath, the bottom of the sea could be seen, and the foundations of the earth were laid bare. He reached down from heaven and rescued me; he drew me out of deep waters. He rescued me from my powerful enemies, from those who hated me and were too strong for me. They attacked me at a moment when I was in distress, but the Lord supported me. He led me to a place of safety; he rescued me because he delights in me. The Lord rewarded me for doing right; he restored me because of my innocence. For I have kept the ways of the Lord; I have not turned from my God to follow evil. I have followed all his regulations; I have never abandoned his decrees. I am blameless before God; I have kept myself from sin. The

Lord rewarded me for doing right. He has seen my innocence. To the faithful you show yourself faithful; to those with integrity you show integrity. To the pure you show yourself pure, but to the wicked you show yourself hostile. You rescue the humble, but you humiliate the proud. You light a lamp for me.

The Lord, my God, lights up my darkness. In your strength I can crush an army; with my God I can scale any wall. God's way is perfect. All the Lord's promises prove true. He is a shield for all who look to him for protection. For who is God except the Lord? Who but our God is a solid rock? God arms me with strength and he makes my way perfect. He makes me as surefooted as a deer, enabling me to stand on mountain heights. He trains my hands for battle; he strengthens my arm to draw a bronze bow. You have given me your shield of victory. Your right hand supports me; your help has made me great. You have made a wide path for my feet to keep them from slipping. I chased my enemies and caught them; I did not stop until they were conquered. I struck them down so they could not get up; they fell beneath my feet. You have armed me with strength for the battle; you have subdued my enemies under my feet. You placed my foot on their necks. I have destroyed all who hated me. They called for help, but no one came to their rescue. They even cried to the Lord, but he refused to answer. I ground them as fine as dust in the wind. I swept them into the gutter like dirt. You gave me victory over my accusers. You appointed me ruler over nations; people I don't even know now serve me. As soon as they hear of me, they submit; foreign nations cringe before me. They all lose their courage and come trembling from their strongholds. The Lord lives! Praise to my Rock! May the God of my salvation be exalted! He is the God who pays back those who harm me; he subdues the nations under me and rescues me from my enemies. You hold me safe beyond the reach of my enemies; you save me from violent opponents. For this, O Lord, I will praise you among the nations; I will sing praises to your name. You give great victories to your king; you show unfailing love to your anointed, to David and all his descendants forever.
